

MG HS

Quality speaks for itself.

A close-up, high-contrast photograph of a car's interior door panel. The panel is dark and textured, with a prominent circular MG logo embossed on it. The lighting is dramatic, highlighting the contours and textures of the materials. The MG logo is a circular emblem with the letters 'MG' inside, set against a dark background.

Quality speaks for itself.

Quality needs no explanation. It's instinctive.

You can just sense when something is more considered, more crafted. When it's something of true worth, even if it doesn't come with a high price tag.

Quality means making the right decisions at every stage. With an unfaltering commitment to the highest standards in every detail.

It appears effortless, but it's never easy. It takes hard work, skill and care to create flawless looks and intelligent design.

Quality has a power, a presence.

An understated confidence that never shouts to stand out.

You'll find it in every millimetre of MG HS.

MG HS MADE FOR FAMILY LIVING

With purposeful, sporty looks and a spacious interior filled with comfort and intelligent features, it's easy to just get in and get away for the perfect escape. Relax in the generous seats as our smart tech smooths out the ride. And, with two levels of trim to choose from; Excite and Exclusive, there's an MG HS to suit every lifestyle.

- **7 year warranty**
For complete peace of mind.
- **Spacious interior**
Class-leading room in the front, reclining seats in the rear.
- **Superior materials**
Soft-touch fabrics with leather options on Exclusive models.
- **Innovative technology**
Keyless entry, colour touchscreen, Apple CarPlay™, Android Auto™ and much more for added convenience.
- **MG Pilot**
Driver assistance suite to make your journey smoother and safer.

DESIGNED FOR FAMILY MOMENTS

Time together. It's so rare these days, but it's never been more important.

That's why MG HS is designed to bring your family together and leave the world behind. There's space and comfort, so you can all feel more relaxed from the moment you set off. Not to mention everything from Adaptive Cruise Control to Traffic Jam Assist from our MG Pilot suite of driver assistance systems, to make every journey stress-free.

STYLE NEVER SHOUTS

MG HS has the bold lines and statement features of a thoroughbred SUV. At the front our stellar field grille perfectly frames our largest MG badge yet. Travel down the sleek lines, past the gleaming alloys, and to the rear you'll find the twin tailpipes and aluminium bumper exuding dynamic confidence.

THE MARK OF QUALITY
LED daytime running lights

Bi-Function LED headlights with auto-dipping high beam*

Front and rear LED sequential indicators*

Electrically adjustable, folding, heated, body colour door mirrors

Panoramic opening sky roof*

Silver roof rails

Power tailgate* (Auto/DCT only)

Rear parking sensors and camera

18" Hurricane diamond cut alloy wheels

Model shown: MG HS Exclusive in Farringdon Red

*Exclusive only.

THE SPECIFICATION SPEAKS VOLUMES

Life feels better when it's less effort. That's why comfort is paramount whenever you open the door and ease yourself into the soft touch seats of your MG HS. No other car in its class offers more shoulder, hip and head room in the front; while reclining rear seats, clever storage, folding cup holders and other clever features make sure you and your family want for nothing.

THE MARK OF QUALITY Panoramic opening sky roof*

Soft touch interior

Everything you touch from the dashboard and interior door trim to the leather seats, is created in rich, soft touch materials, in optional Black or Red/Black*.

Ambient lighting

Set a softer mood or create a sportier feel with the full spectrum ambient lighting options.

Superior seating

The carefully designed leather seats provide comfort and support in all the right places. With a one piece back, the sports seats are heated with electric six-way adjustment.*

Intuitive dashboard

Designed with style and simplicity, the MG HS dashboard is focused around a bold 10.1" colour infotainment touchscreen, compatible with Apple CarPlay™ and Android Auto™.

Actual UK specification may vary from vehicle shown.
*Exclusive only.

THE NEW MG HS PLUG-IN
LOW CO₂ HIGH QUALITY

The new MG HS Plug-in gives you all the high quality specification of our petrol model; plus a state-of-the-art electric motor to significantly reduce your everyday emissions.

So as well as an SUV fully loaded with features, you can look forward to lower CO₂, an impressive electric range, and the latest tech to keep you connected to your world.

MG HS PLUG-IN

A QUIET CONFIDENCE

MG HS Plug-in is the perfect union of efficiency and performance. Delivering up to 43 miles* on the electric motor alone, it drives your CO₂ emissions down to just 43g/km. Reducing your carbon footprint and your fuel bills.

There's ample power too, with a combined output of 258PS that takes you to 60mph in just 6.9 seconds.

What's more, to make every drive truly effortless, we've also introduced an innovative 10-speed transmission; designed to optimise power delivery and efficiency in both hybrid and electric only mode.

*EV only driving range of 32 miles combined, 43 miles city.

INNOVATION AT HEART

Behind the wheel of MG HS Plug-in, you'll find an array of innovative features at your fingertips.

Such as Apple CarPlay™ and Android Auto™ to keep you fully connected to your media and messages. As well as a 360° parking camera to give you an unobstructed view in even the tightest parking spots.

For complete driving confidence, there's also MG Pilot advanced driver assistance technology. Our comprehensive suite of warning and alert features designed to make every trip safer and simpler.

MG PILOT

The MG Pilot suite of high-tech driver assistance technology gives you added confidence on the road. A selection of warning and alert features assist the driver, maintaining safety and simplifying everyday driving.

Adaptive Cruise Control (ACC)*

Adaptive Cruise Control monitors the road ahead. As long as the road ahead is clear, ACC maintains the speed set by the driver. If the system spots a slower vehicle within its detection range, it gently reduces speed by releasing the accelerator or actively engaging the brake control system. If the vehicle ahead speeds up or changes lanes, ACC automatically accelerates back to the driver's desired speed.

Intelligent speed limit assist

The car will actively detect speed limit signs and alert the driver of the current speed limit by way of a symbol on the driver's instrument cluster. The symbol acts as a reminder to the driver, reducing the risk of exceeding the speed limit.

Blind Spot Detection (BSD)

This system keeps a lookout to help you change lanes safely. A radar sensor serves as BSD's electronic eye, registering objects in hard-to-see areas. Whenever there is a vehicle in the driver's blind spot, a visual signal will show next to the door mirror.

Intelligent high beam assist

When the headlight high beam is set to the AUTO position, the system automatically switches to low beam when it detects a vehicle ahead. This enables drivers to maximise the use of high beam, making night-time driving safer, without the risk of dazzling oncoming traffic.

Active Emergency Braking (AEB)

At speeds below 12mph, the car will automatically apply its brakes to avoid a collision with a vehicle, bicycle or pedestrian. At speeds above 12mph, AEB will reduce the likelihood or mitigate the severity of an accident.

Lane Keep Assist (LKA)

Lane Keep Assist uses a camera to detect lane markings ahead and monitors the vehicle's position in its lane. When the function detects the vehicle is about to unintentionally move out of its lane, it warns the driver by means of a visual, audible and steering wheel vibration. The car will also control the steering to keep within its lane.

Traffic Jam Assist (TJA)*

When Adaptive Cruise Control is turned on, Traffic Jam Assist continuously analyses the speed of the surrounding vehicles and compares it with its own driving speed. If the system detects dense traffic or a traffic jam at speeds below 35mph, the driver can activate TJA. The car will automatically follow the vehicle in front, controlling its acceleration, braking and steering within the same lane.

MG HS has achieved the maximum five star rating from Euro NCAP, the world's leading road safety agency. Designed and engineered with a range of active and passive safety systems as standard, MG HS excelled in Euro NCAP's latest collision protection and avoidance tests which are the most stringent tests ever conducted.

MG Pilot features vary by model.

*DCT Petrol and Plug-In only.

CONNECTED COMMUNICATION

The innovative technology in MG HS is designed with people in mind. From the colour touchscreen to the integrated speaker system, this SUV is bristling with intelligent touches to keep you comfortable, connected and in complete control.

AFTERCARE

MG Service Plans

Look after your car and your car will look after you...

With an MG Service Plan, you can continue the care-free driving without the worry of unforeseen service costs. Your MG HS will be covered for up to 7 years with flexible mileage choices. MG's authorised repairer network offers genuine parts, factory trained staff and the peace of mind that your MG is in a safe pair of hands. From oil changes to the batteries in your key fob, the MG Service Plan will keep your new car covered and you on the road.

7 Year Warranty

Built to the highest standards in our state-of-the-art factories, we are so confident of the quality and reliability of MG HS that we give it a 7 year manufacturer's warranty.

Our warranty is fully transferable to future owners and lasts for up to 7 years or 80,000 miles, whichever comes first. So, from day one to the end of your car's seventh year, you can be sure that MG is right beside you!

SPEAK TO YOUR MG DEALER OR VISIT MG.CO.UK FOR MORE INFORMATION

SAY HELLO TO THE

FAMILY

MG HS and HS Plug-in join the MG range alongside our fully electric cars, MG ZS EV, and MG5 EV. The MG range is completed by MG3, our fun hatchback and New MG ZS, our spacious family SUV. All new MGs feature our famous 7-year warranty and our nationwide network of professional, experienced dealers are ready to welcome you to the family.
