QX70

INFINITI

EMPOWER THE DRIVE

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX70
Empower the drive with an unmistakable icon. The original sport-crossover. A bold design, built upon a sport sedan chassis. It has the bones and muscle of an athlete with the enhanced capability to match. 320-horsepower and a paddle shifted[1] 7-speed automatic transmission with Downshift Rev Matching. QX70. Make your mark.

EXTERIOR DESIGN

DARING IN DESIGN. ICONIC IN STYLE

Disrupt the status quo with bold style that tells the world you dare. With its sports car-inspired silhouette, the INFINITI QX70 leaves an impression that's both instantaneous and unforgettable.

ATHLETIC STANCE Large 21-inch alloy wheels not only complement the muscular proportions of the QX70, they are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.[1]

EFFICIENT FORM The sloping roofline smooths the airflow over the QX70's distinctive shape, resulting in a low 0.35 coefficient of drag. Efficient aerodynamics reduces turbulence for lower fuel consumption and quieter cruising.

IMPRESSION AMPLIFIED Expressing signature INFINITI double-arch design, the refreshed grille features a honeycomb-patterned mesh that accentuates its sporty character. The arc of the bottom, like a natural reflection of the top, gives the QX70 a distinctive appearance.

ENGINEERING

POWER UNLEASHED BY INTELLIGENCE

Experience performance that is innately in tune to the conditions so you'll feel more in command.

INTUITIVE TRACTION Intelligent All-Wheel Drive infinitely adjusts for better traction by sending anywhere from zero to 50% of the power to the front wheels when you need it, and 100% to the rear wheels for sporty response when you don't. You get all-wheel drive traction without sacrificing rear-wheel drive feel.

NATURALLY SMOOTH SHIFTING The 7-speed automatic transmission offers a wide selection of gears for versatile performance. A driver-adaptive learning algorithm familiarises with your driving style and adjusts shifting for responsiveness or efficiency to suit you.

320 PS | 12.6/12.1 L/100 KM 22.4/23.4 MPG

3.7-LITRE V6 ENGINE A potent blend of exciting response and intelligent efficiency, the 3.7L petrol engine benefits from exclusive Variable Valve Event and Lift (VVEL®) technology. The engine continually adjusts not just when intake valves open, but also how much. The result is a stirring 320 horsepower that still manages to achieve up to 12.1 l/100km.

390 PS | 13.5 L/100 KM 20.9 MPG

5.0-LITRE V8 ENGINE Its force, like a rushing torrent, cannot be restrained. Every touch of the throttle puts a massive 287 kW and 500 Nm of torque at your disposal. Engineered with Variable Valve Event and Lift (VVEL®) technology, this V8 delivers thrilling immediacy. Yet, acceleration is only one component. Its power is shaped to feel limitless. Its signature roar—unforgettable.

PERFORMANCE

INTENSIFY THE FEELING OF PERFORMANCE

Engineering that amplifies your connection to the sound, acceleration, and motion of the QX70.

A CONTINUOUS RUSH By precisely tuning the engine to unleash torque over a broader rev range, the force you feel seems to increase the faster you go. So Acceleration Swell feels more like a limitless rush than a momentary thrill.

EFFORTLESS TURNS Vehicle-speed-sensitive power steering gives you more power-assist at lower speeds and less at higher speeds, for greater connection when you want it, and ease when you need it.

SIGNATURE EXHAUST NOTE The unmistakable tone of the specially tuned exhaust shapes sound to create a heightened acceleration experience. The signature low growl accentuates every trip through the gears.

SHARP SHIFTING Magnesium paddle shifts[1] give you fingertip control over gear selection. When choosing a lower gear, Downshift Rev Matching blips the throttle like a performance driver to ready the engine for smoother, quicker shifts.

QUICKER STOPS Aluminum opposed-piston brake callipers provide stopping force from both sides of the rotor at the same time for better bite, more friction and enhanced control.[1]

HANDLING

SMOOTH IN EVERY TURN

Feel precision that follows you into every corner and response that propels you through them.

GIVING YOU THE RIGHT RIDE Tight corners. Rough roads. Continuous Damping Control helps maintain the perfect balance of smoothness and response, allowing you to get the most out of every mile of road you encounter. The system monitors body roll and road impacts and sends the information to each individual shock and adjusts them to help find the perfect stiffness.[1]

TIGHTER TURNS From turn to turn, take advantage of the agility of the QX70. Rear Active Steer®* sharpens handling and increases precision by actively turning the rear wheels. By tightening response in every corner and curve, it helps manoeuvrability at low speeds or enhances handling at high speeds.[1]

INHERENTLY RESPONSIVE BALANCE The Front-Midship Platform of the QX70 places the engine's centre of mass just behind the front wheel centreline. A sports car-inspired approach for near-equal front-to-rear weight ratio and inherent balance you feel with every turn.

*Except on 3.7-litre V6 petrol.

INTERIOR DESIGN

METICULOUS IN EVERY DETAIL

Everything you see and touch is finely crafted from luxurious materials and designed to focus on the individual seated inside the cabin.

DISTINCTIVE STYLE he leather-appointed front and rear seats feature a quilted cross-stitch design[1] that adds texture to the seatback and bottom cushion.

OPTICAL PERFECTION Where the dashboard meets the door or centre console, the interior components are assembled not to be perfect to a measurement, but to look perfect to your eye. This requires an exacting manufacturing process that tightens the space in order to achieve a seamless design from the driver's point of view.

PLEASING TO THE EYE The soothing glow of the Fine Vision electroluminescent gauges is designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

SOFTER SEAT BELTS The seat belt is one of the few surfaces you continually touch, so we use a variable herringbone weave that is 20% softer than standard fabrics. This makes it more comfortable to wear, easier to pull out, and even less likely to snag your clothing.

CONSISTENT SWITCH FEEL Touch a button. Then touch the one next to it. Notice that every button and switch is crafted with the same level of precision, so you sense a consistent INFINITI feel on your fingertip. With this attention paid to a switch, imagine how the remaining surfaces feel.

IN SYNC WITH EVERY MOVEMENT AND EVERY NOTE

Technology connects you to greater experiences exponentially. Bringing the people around you closer and making the world around you clearer.

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and Front and Rear Sonar System, it's easier to see and manoeuvre in even the tightest spaces.[1,3,4] Four cameras and one virtual 360° view from above elevate your parking expertise, alerting you when a stationary or moving object is detected behind you or close by.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you – turning ring, touch-screen, input buttons, and even steering wheel controls – responding to you rather than you adjusting to it.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX70 and a hands-free world opens up Receive and place calls. Stream your favorite playlists from portable music players.[1] All with the touch of a steering wheel button.

HIGH-QUALITY SOUND With 11 speakers, including two subwoofers, the Bose® Premium Audio System delivers your music with captivating depth and astonishing clarity. Listen to your favorite music through one of many ways. You can play CDs, DVDs, and stream music from a compatible Bluetooth® device or connect and control your iPod® via the USB port.[1,5]

GUIDANCE AND ASSISTANCE ON EVERY DRIVE

Whether traffic is clear or chaotic, intelligent technologies help guide you through every moment.

KNOW YOUR WAY

Find your way through busy streets and unfamiliar territory. INFINITI Navigation[1] lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective. Lane Guidance will also help escort you exactly where you need to be for exits and interchanges.

MANAGE YOUR PACE

Set your desired speed and distance and Intelligent Cruise Control (Full-Speed Range)[1,6] can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.

MAINTAIN YOUR LANE

The Lane Departure Warning and Lane Departure Prevention Systems[1,7] monitor lane markings and can warn you if you start to drift. If the drift continues, the system can help ease your vehicle back towards the center of your lane by applying the brakes on the opposite side of the vehicle.

PERSONAL ATTENTION

YOUR ARRIVAL AND YOUR ACTIONS ANTICIPATED

You live by your instincts and the QX70 will feel like an extension of yourself. Smart systems are looking ahead, acting to assist and customizing your comfort, leaving you free to focus on the drive.

PERSONALISED ACCESS Recognizing you upon your approach, the INFINITI Intelligent Key lets you unlock the doors or rear tailgate. And as you enter, it slides your seat back for you and adjusts your steering wheel and outside mirrors automatically to your preferences.[1]

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. The puddle lights illuminate the ground below, then the interior lights glow to help you settle in. The choreographed sequence ends with the Start/Stop button pulsing, waiting for you to bring it to life.

SIMPLIFYING ENTRY When you arrive with luggage, automatically open the power rear liftgate with the push of a button from the location most convenient to you—the liftgate handle, lower dash or Intelligent Key. Closing the liftgate is just as simple.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front lighting System (AFS)[1] improves visibility at intersections and around curves by sensing your steering and turning the headlights. Together with bi-xenon headlights, AFS helps you see not just ahead, but around as well.

ACCOMMODATE WITH EASE Provide for every moment. Supply suitable space for whatever you or your party has brought. Enjoy easy loading with flexible 60/40-split second-row seats that fold virtually flat for maximum convenience.

RECIRCULATE. REFRESH. RELAX. Just as you don't think about breathing, the Advanced Climate Control System[1] adjusts without you asking. Constantly monitoring the incoming air, it senses outside fumes and automatically closes the vents, recirculating purified air throughout the interior.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Climate-controlled, leather-appointed front seats actively circulate cool or warm air through small perforations so you can reach your comfort zone faster than you imagined.[1]

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

Empowering technologies are on alert, ready to help you respond and acting to help protect.

REDUCE HARM Intelligent Brake Assist[1,8] uses sensors to monitor the closing speed to the vehicle ahead and if a collision is unavoidable, it can automatically engage the brakes to help reduce impact speed.

BETTER STABILITY WHILE STOPPING Electronic Brake Force Distribution adjusts the amount of pressure applied to the front and rear wheels to improve braking performance and reduce front-end dive.

RECOGNISING DANGER Forward Collision Warning[1,9] looks ahead and if your distance to the vehicle in front is too close, it will warn you visually and audibly.

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

SMART HEAD SUPPORT In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

ENHANCED PROTECTION The QX70 includes dual-stage front supplemental air bags, front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.[10]

PREPARED TO PROTECT During emergency braking situations, the Pre-Crash Seat Belts are automatically tightened.[1]

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI Europe. Before relying on this brochure to make a purchase decision, interested parties should directly contact the INFINITI Centre to confirm the accuracy of any information given herein and how it relates to a specific vehicle. INFINITI Europe reserves the right to make changes, at any time, without prior notice, in prices, colours, materials, equipment, specifications and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, the actual vehicle, materials and specifications may vary from this brochure. Some vehicles are shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, contact your INFINITI Centre.

INFINITI has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your local INFINITI Centre.

1 Available on selected models. **2** This figure refers to the lowest official extra-urban fuel efficiency. Actual mileage may vary with driving conditions. Use for comparison only. **3** Around View Monitor with Moving Object Detection (MOD) cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **4** The Sonar System is a convenience, not a substitute for responsible driving. May not detect every object. **5** iPod is a registered trademark of Apple Inc. All rights reserved. iPod not included. **6** Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **7** The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. **8** Intelligent Brake Assist (IBA) is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on IBA. **9** Forward Collision Warning is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. **10** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details.

For further details on all features, visit the INFINITI website or see Owner's Manual.

Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. Bose is a registered trademark of the Bose Corporation.

For UK: Fuel economy figures for the QX70 range: mpg (l/100km). Urban 14.7-16.8 (19.2-16.8), Extra Urban 27.7-30.0 (10.2-9.4), Combined 20.9-23.4 (13.5-12.1). CO_2 emissions 316-282 g/km.

Fuel economy figures are obtained from laboratory testing and are intended for comparisons between vehicles and may not reflect real driving results. Optional equipment, maintenance, driving behaviour, road and weather conditions may affect the official results.

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to creating an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.

ACCESSORIES SHOWN Crossbars, INFINITI branded roof box and 21-inch turbine dark silver alloy wheels.

ENTRY GUARDS Set in a stainless steel panel, these soft "INFINITI" illuminated entry guards give the sill area a sporty and sophisticated look. The kit, supplied in pairs, lights up your entrance and protects the paintwork.

20-INCH SILVER ALLOY WHEELS Wherever you go, there'll be no questions to your sense of style and love of sporty design. 265/50 R 20, 5 spoke alloy wheels.

SKI CARRIER These ski carriers make your QX70 the perfect holiday partner. Easy to mount and lock you can transport up to 6 pairs of skis. Available in smaller sizes as well.

TOW BAR Tested to meet the highest demands of safety and functionality, the tow bar allows you to bring your needs wherever you want. It is integrated into the car's bodywork and can be removed easily when not needed.

STAINLESS STEEL REAR BUMPER PROTECTOR While you load, unload and handle all your cargo, scuffs and scrapes can happen. This protector not only adds a sophisticated look, but it's durable enough to resist the wear and tear of everyday life.

TRUNKLINER Constructed of heavy, durable and flexible material, it helps keep your packages and other items from moving around while driving, while also protecting your cargo area from scratches and damage.

#INFINITIF1

RENAULT SPORT FORMULA ONE™ TEAM.

INFINITI is proud to be a technical partner of the new Renault Sport Formula One™ team.

INFINITI IS THE TECHNICAL PARTNER of the Renault Sport Formula One™ Team for the co-development of the Power Unit's Energy Recovery System, which recovers and deploys electric energy to boost the internal combustion engine.

THE INFINITI ENGINEERING ACADEMY is a global search and training programme for the most talented students in engineering to be placed at INFINITI Technical Centre and Renault Sport Formula One™ Team facilities.

Technical Partner

DRIVEN BY DESIRE

Design doesn't answer to logic, it answers to the heart. It begins with the artist drawing a simple line, curve or shape and loving something in it that must be fully expressed. To INFINITI, design is more than a passion, it is part of our business DNA.

QX Sport Inspiration

Q80 Inspiration

WHEN A BRAND IS LED BY DESIGN, that becomes the brand's way of communicating. Every vehicle gives voice to that language through the harmony of striking lines, liquid curves and muscular stance. Proprietary elements, including the double arch grille and crescent cut, distinctly express the INFINITI design-led approach to product development and business vision. Fuelled by the power of design, an INFINITI concept car is a glimpse into tomorrow as it develops from being a sketch on the artist's table to taking its rightful place on the road.

UNDENIABLE PRESENCE. UNFORGETTABLE EXPERIENCE.

The INFINITI vehicle range defies convention and redefines the premium segment through empowering technologies and expressive design.

ESTABLISHED IN 1989, INFINITI has now grown to include saloons, coupés, convertibles, crossovers and SUVs in its line-up and spans 50 countries worldwide. INFINITI is unique and distinctive – not trying to be all things to all people, but everything to some people. At the heart of the INFINITI brand is a history of human attentiveness where the belief that the total ownership experience is much more important than just the car itself, coupled with a commitment to delivering a more empowering, more assured and more exhilarating driving and ownership experience.

INFINITI HAS COME to be recognised as a brand that delivers expressive and striking car design. A distinctive design crafted by human hand and delivered with a powerful and daring presence on the road. This, combined with an obsessive attention to detail and precision engineering, all contribute to the feeling that to drive an INFINITI is something special.

Wheelbase	2,885 mm	2,885 mm
Track width Front/Rear	1,635/1,640 mm	1,635/1,640 mm

[1] The values stated were determined under test conditions according to the measuring methods specified in the most recently amended version of European Directive 715/2007/EC and may not represent the actual results achieved in real world driving conditions. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO_2 emissions.
[2] With 20" 5 double-spoke alloy wheels.
[3] With 21" 6 spoke light alloy wheels / 21-inch exclusive anthracite alloy turbine wheels with diamond cut finish.
