

Q70

INFINITI

EMPOWER THE DRIVE

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI Q70

Empower the drive with refined craftsmanship.

The sight of graceful curves and beautifully refined angles. The scent of a handcrafted natural wood¹ and leather-appointed interior¹. And the feeling of an intuitively designed cockpit, designed to please.

Q70. Refine your expectations.

EXTERIOR DESIGN

ELEGANT IN FORM. COMMANDING IN PRESENCE

Create your own path and lead with authority. The sculpted contours of the INFINITI Q70 seem to flow without effort, while simultaneously exuding a confidence that demands attention.

ATHLETIC STANCE Large 20-inch alloy wheels¹ not only complement the graceful proportions of the Q70, they are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

EXPRESSIVE LIGHTING Powerful LEDs illuminate the sculpted headlights, blending high efficiency with unmistakable style. Inspired by the human eye, the daytime running lights and rear taillights feature a signature INFINITI crescent shape for definitive character from every angle.

CURVES THAT INVITE Undeniably INFINITI, the double-wave bonnet rises to meet the elevated front fenders, conveying a dynamic, expressive design.

IMPRESSION AMPLIFIED Expressing signature INFINITI design, the double-arch grille is prominently placed in front and centre. The arc of the bottom, like a natural reflection to that of the top, gives the front fascia a distinctive appearance.

INTERIOR DESIGN

DELIGHTS IN ALL ITS INFINITE DETAILS

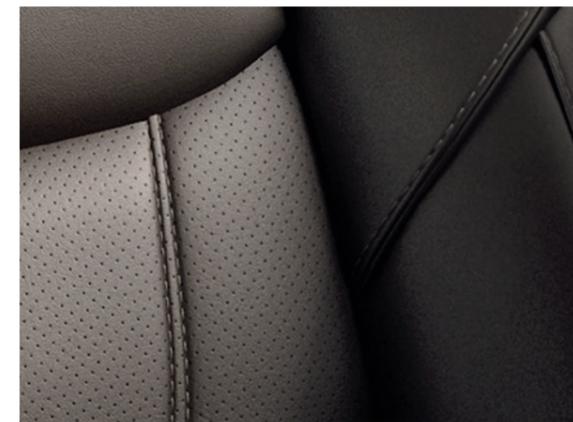

Reward your senses with luxury. In the things you see and touch, everything has been crafted with a focus on you.

CONSISTENT SWITCH FEEL Touch a button. Then touch the one next to it. Notice that every button and switch is crafted with the same level of precision, so you sense a consistent INFINITI feel on the fingertip. With this attention paid to a switch, imagine how the remaining surfaces feel.

PLEASING TO THE EYE The soothing glow of the Fine Vision electro-luminescent gauges has been designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

FINER FABRICS The seat belt is one of the few surfaces you continually touch, so we use a variable herringbone weave that is softer than standard fabrics. This makes it more comfortable to wear, and even less likely to snag your clothing.

ADD YOUR TOUCH The meticulously designed Q70 interior is available with your choice of premium-quality inlays on the dashboard, centre console and door trim. Choose from a unique, White Ash silver-powdered¹ treatment or a contemporary black lacquer finish¹ to make your own style statement.

QUALITY IN COMFORT Sit inside and experience softness and firmness the semi-aniline leather-appointed seats provide.¹ The full-grain leather is treated to allow the natural character of the leather to show through.

PERSONAL ATTENTION

INVITING YOU IN AND TAILORED TO YOU

Every arrival, every entrance—recognised and anticipated with thoughtful conveniences that always feel special.

OPTIMISED COMFORT The dual occupant memory system¹ allows two custom profiles. Depending on which key you possess, the preferred settings for the seat, steering column and mirrors are automatically executed with the press of a button, giving both drivers and passengers intimate level of comfort.

PERSONALIZED ACCESS Recognising you upon your approach, the INFINITI Intelligent Key lets you unlock the doors and trunk, and even start the engine—all without taking the key out from your pocket or purse. And as you enter, it slides your seat back for you, then adjusts your steering wheel and outside mirrors automatically to your preferences.

ANTICIPATING YOUR ARRIVAL For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior and then interior lights. The puddle lights illuminate the ground below, then the interior lights glow to help you settle in. The choreographed sequence ends with the ignition button pulsing, waiting for you to bring it to life.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Climate-controlled front seats actively circulate cool or warm air through the perforated leather, so you reach your comfort zone faster than you imagined.¹

COMFORT

SPACE THAT CENTRES AROUND YOU

This is luxury centred on you-behind the wheel or in any seat. The INFINITI Q70 reveals an interior with spaciousness and elegance.

UP TO REAR UP TO
958 mm | 919 mm
HEADROOM LEGROOM

INTERIOR DESIGN Every key interior surface of the Q70 has been extensively researched to provide the ideal tactile feel. From the seats, to the suede-like headliner¹, they all play a part to enhance the overall experience.

ABUNDANT SPACE The Q70 provides versatility precisely tailored to the needs of every guest. Its low, wide stance helps maximise head and hip room for all passengers and the backs of the front seats give rear passengers more legroom.

WELCOMING COCKPIT INFINITI creates an experience that anticipates with thoughtful design. Controls positioned for instinctive reach. Each component is crafted for recognition by shape and feel, ensuring that you connect with the Q70 intuitively, by touch alone.

HEADROOM LEGROOM

AMPLIFYING THE FEELING OF ACCELERATION

Engineering that unlocks a greater intensity in the driving experience through your senses.

A CONTINUOUS RUSH

Acceleration Swell¹ is our vision of power, dedicated to delivering a shape and feel to acceleration. By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go, making Acceleration Swell feel more like a limitless rush than a momentary thrill.

QUICKER STOPS

Aluminium opposed-piston brake calipers provide stopping force from both sides of the rotor at the same time for better bite, more friction and direct feel.¹

SHARP SHIFTING

Magnesium paddle shifters give you fingertip control over gear selection.¹ When choosing a lower gear, Downshift Rev Matching¹ blips the throttle like a performance driver to ready the engine for smoother, quicker shifts.

ACTIVELY RESPONDING

The upgraded springs of the sport-tuned suspension¹ sharpen the handling of the Q70, while the double-piston shock absorbers¹ help reduce vibrations to deliver the smoothest ride possible.

SIGNATURE EXHAUST NOTES

The unmistakable tone of the specially tuned exhaust¹ shapes sound to create a heightened acceleration experience. The signature low growl accentuates every trip through the gears.

364 | 53.3
PS | MPG²

3.5-LITRE V6 WITH INFINITI DIRECT RESPONSE HYBRID

The Infiniti Q70 Hybrid is the vehicle that redefined hybrid power. Combining a powerful V6 engine with a 50 kW electric motor gives the system a total of up to 364 PS. But unlike many hybrids, it transitions from all-electric mode to full-power hybrid mode with thrilling intensity and organic responsiveness. It can achieve a surprising 145 g/km of CO₂ emissions².

170 | 67.3
PS | MPG²

2.2-LITRE DIRECT INJECTION TURBO DIESEL ENGINE As fuel efficient as it is emotionally invigorating. This engine uses the latest diesel technology to achieve up to 67.3 official mpg². It puts up to 170 PS and 400 Nm of torque at your command. And it produces from as little as 124 g/km of CO₂ emissions².

320 | 35.8
PS | MPG²

3.7-LITRE V6 GASOLINE ENGINE Its robust design, exceptional power-to-weight ratio, advanced technology and fuel efficiency have won it acclaim from critics and fans alike. Benefiting from Variable Valve Event and Lift (VVEL) technology, it adjusts on the fly to make the most of every breath and every drop of fuel, resulting in a stirring 320 PS.

ENGINEERING

ELEVATING YOUR POWER AND POISE

Discover performance engineering that intuitively responds to you for a greater feeling of power and authority.

EMPOWERED STEERING 4WAS (4 Wheel Active Steering)¹ engages each wheel as you steer. Your Q70 turns in and tracks with clarity and precision to make cornering more immediate, stable and exciting.

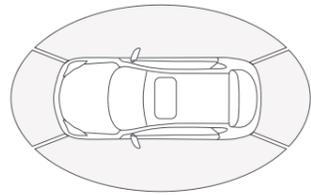

INHERENTLY RESPONSIVE BALANCE The Front-Midship Platform of the Q70 places the engine's centre of mass just behind the front wheel centreline. A sports car-inspired approach for near-equal front-to-rear weight ratio and inherent balance you feel with every turn.

NATURALLY SMOOTH SHIFTING The 7-speed automatic transmission offers a wide selection of gears for versatile performance. A driver-adaptive learning algorithm familiarises with your driving style and adjusts shifting for responsiveness or efficiency to suit you. Manual shift mode offers sequentially selected manual gearshifts.

CONVENIENCE

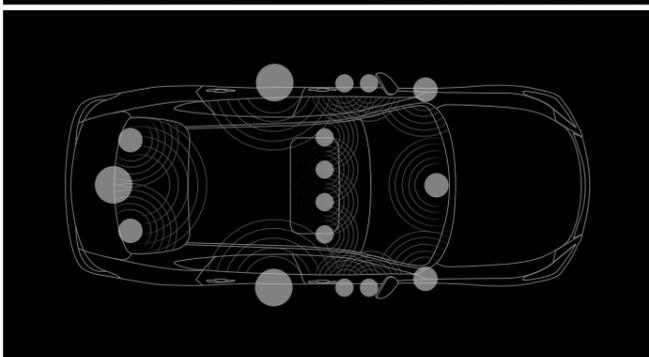

DEDICATED TO ASSIST AND ENTERTAIN

Technology allows you to stay connected to your world, naturally and effortlessly.

360°
VIEW

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and front and rear parking sensors, it's easier to see and manoeuvre in even the tightest spaces.^{1,3,4} Four cameras and one virtual 360° view from above elevate your parking expertise, while also alerting you whether a moving or stationary object is detected close by.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front lighting System (AFS)¹ improves visibility at intersections and around curves by sensing your steering and turning the headlights to see not just ahead but around as well.

HIGH-QUALITY SOUND The Bose® Premium Surround Sound system¹ boasts 16 speakers, including 2 mounted on the shoulders of each front seat. Each has been custom-tuned to deliver rich and realistic 5.1 surround sound. Active Noise Control intelligently detects road or wind noise and neutralises it with opposing sound waves for a more serene driving experience.¹

PURE AIRFLOW Forest Air® System¹ brings into your personal space as you drive the natural rejuvenation of a cool, soothing breeze. Air is circulated with a gentle ebb and flow.

GUIDANCE AND ASSISTANCE ON EVERY DRIVE

Whether traffic is clear or chaotic, intelligent technologies help guide you through every moment.

MANAGE YOUR PACE Set your desired speed and safe following distance, and Intelligent Cruise Control (Full-Speed Range)¹⁻⁵ can not only maintain but also automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and following distance.

KEEP YOUR DISTANCE Distance Control Assist^{1,7} looks ahead and helps you to keep a safe following distance to the vehicle ahead. If the system detects a slower moving vehicle ahead, and you do not take your foot off the accelerator pedal, the system will automatically engage the brakes and push back on the pedal in order to assist you to maintain a safe following distance.

KNOW YOUR WAY Find your way through busy streets and unfamiliar territory. The INFINITI Navigation System¹ lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective. Lane Guidance will also help escort you exactly where you need to be for exits and interchanges.

MAINTAIN YOUR LANE The Lane Departure Warning and Lane Departure Prevention Systems¹⁻⁶ monitor lane markings and can help warn you if you start to drift. If you start to drift out of your lane, the system can help ease your vehicle back towards the centre of your lane by applying the brakes on the opposite side of the vehicle.

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

A unique combination of active and passive safety innovations enhance your ability to respond instinctively.

ADVANCED WARNING Forward Emergency Braking^{1,8} adds another dimension of security. It can detect vehicles in the lane ahead of you, and if deceleration is required, the accelerator pedal is pushed up and the brakes are applied to help minimise a collision—or even help prevent one.

THE SUPPORT YOU NEED In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

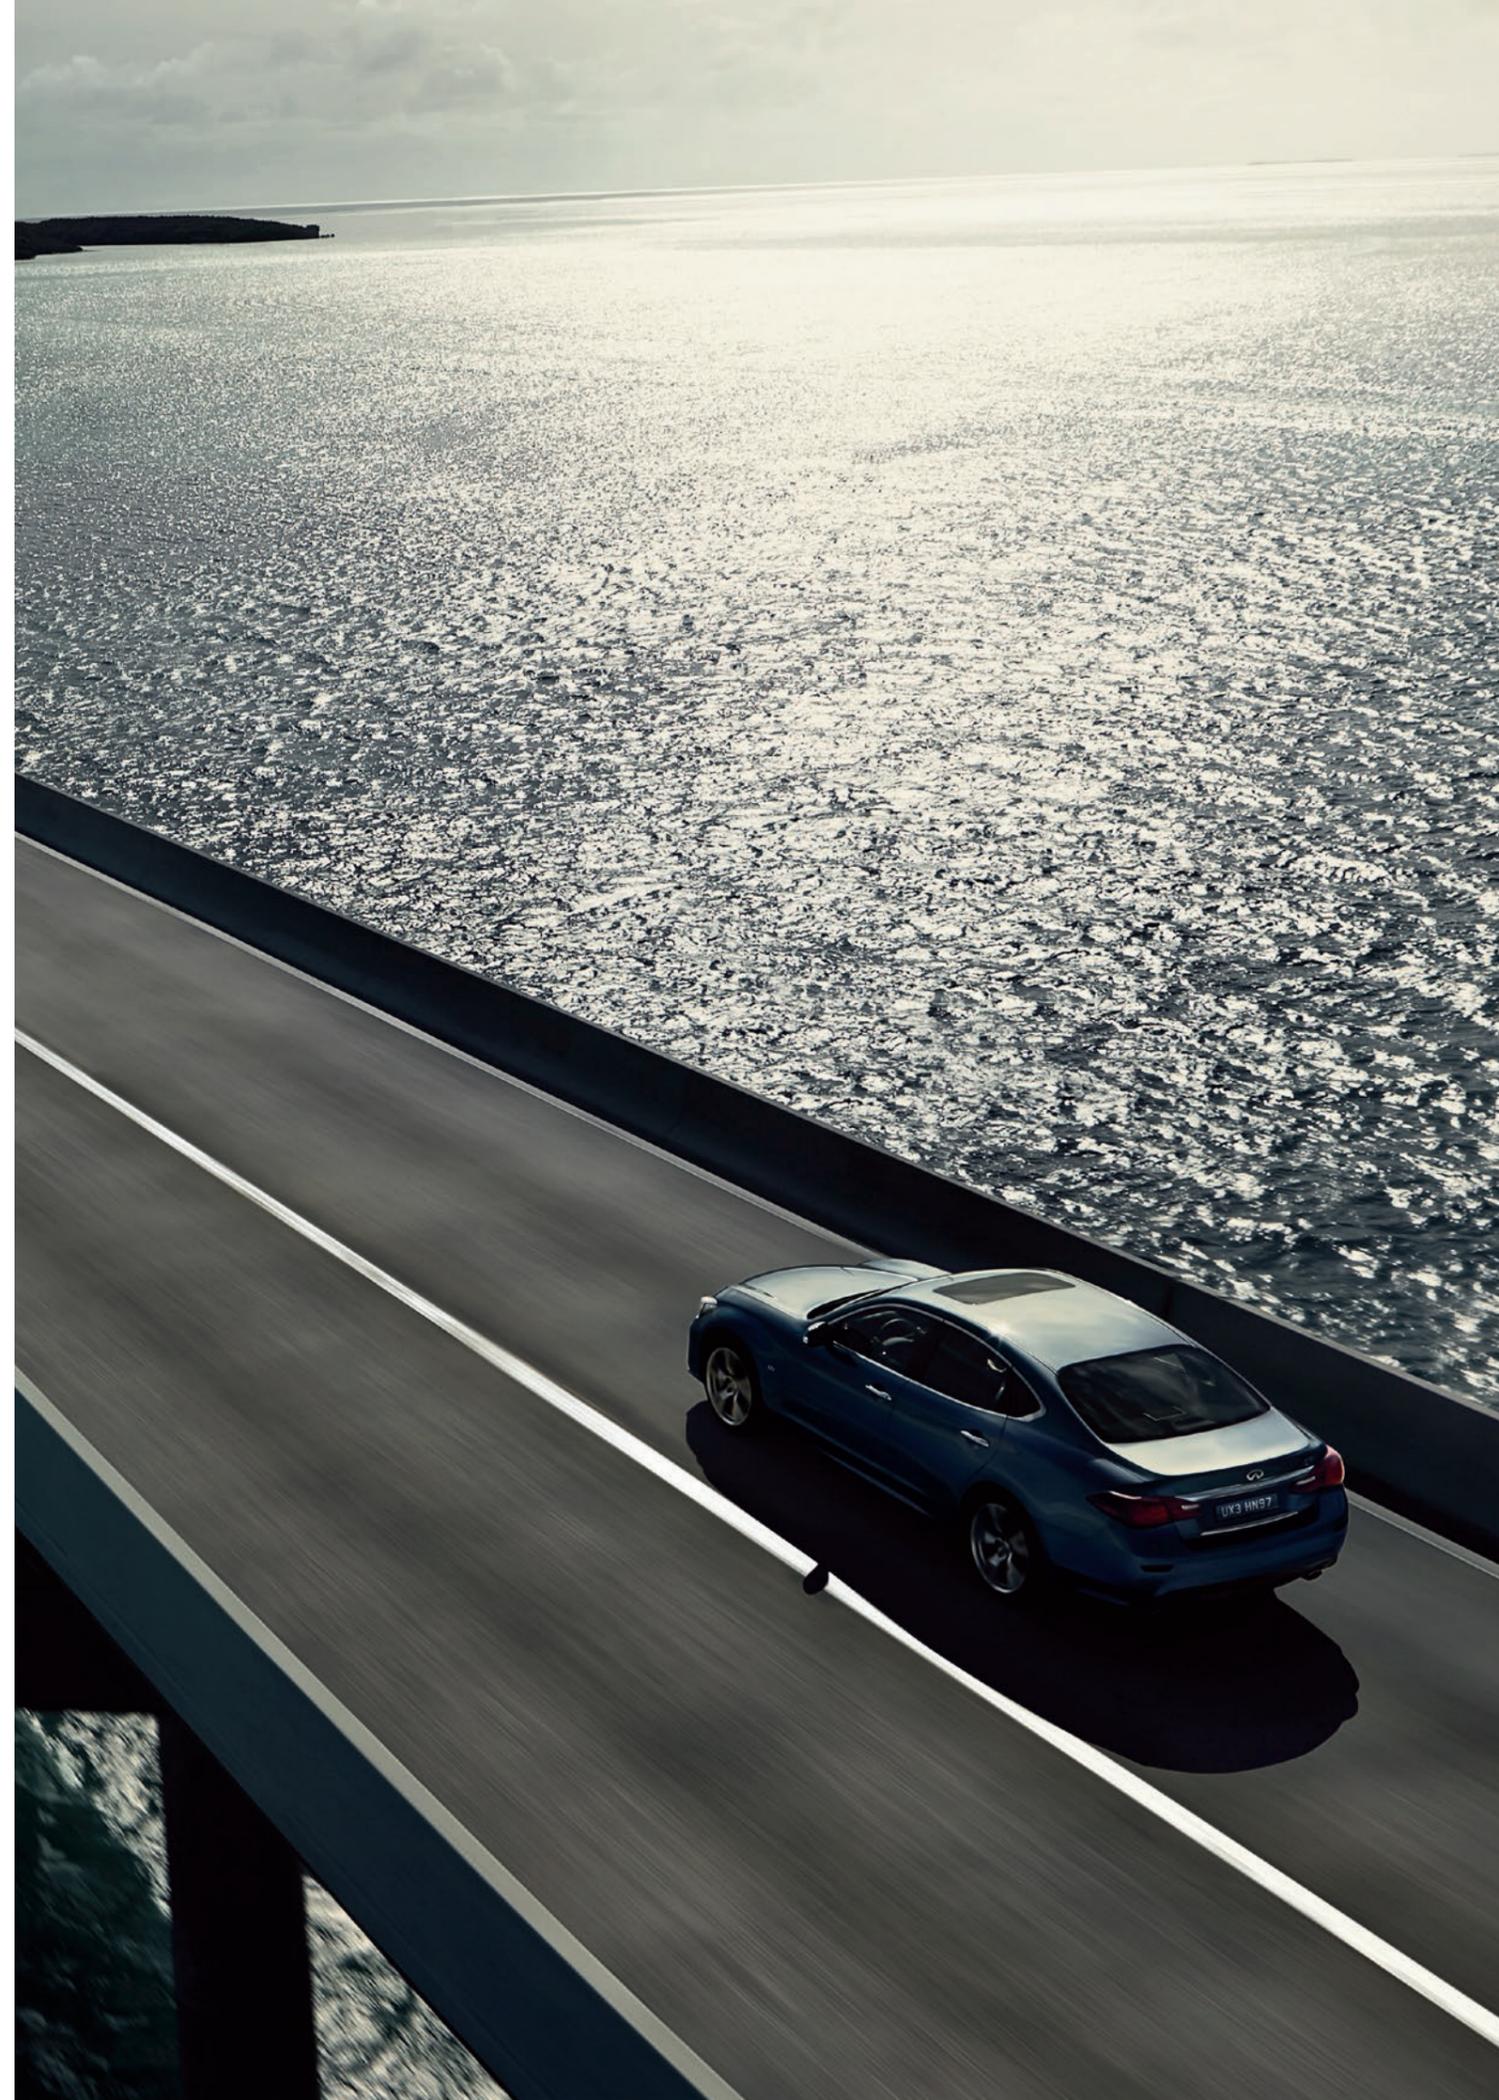

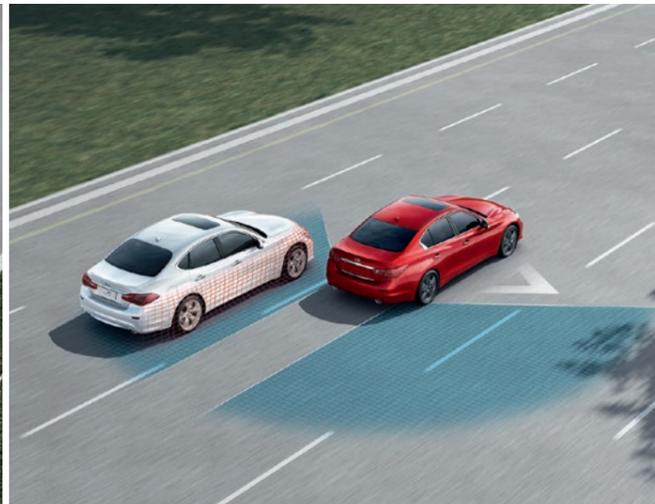

RECOGNISING DANGER Predictive Forward Collision Warning^{1,9} uses radar to enable the Q70 to continuously monitor not only the vehicle directly ahead of you but also the vehicle in front of that one. If the system detects a potential risk, it provides an audible and visual alert.

MORE SURE WHEN BACKING UP Backup Collision Intervention^{1,10} increases your awareness while in reverse. As you back up, the system warns you if approaching vehicles or large objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.

PREPARED TO PROTECT During emergency braking situations, the Pre-Crash Seat Belts are automatically tightened.¹

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

SENSES WHERE YOU CAN'T SEE The Blind Spot Warning and Blind Spot Intervention[®] Systems^{1,11} use sensors to help alert you to a detected vehicle entering the blind spot area in an adjacent lane and help you avoid it. First, the warning light illuminates. Then, if you begin moving toward the occupied lane after using the turn signal, a warning sounds. The system can even apply opposite side brakes to help guide your vehicle back toward the centre of your current driving lane.

MAKE IT UNIQUELY YOURS

DISCLAIMERS

INFINITI Europe, Division of Nissan International SA, CH-550-1047524-0, Z.A. La Pièce - Bât. B2, Route de l'Etraz, 1180 Rolle, Switzerland

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI Europe. Before relying on this brochure to make a purchase decision, interested parties should directly contact the INFINITI Centre to confirm the accuracy of any information given herein and how it relates to a specific vehicle. INFINITI Europe reserves the right to make changes, at any time, without prior notice, in prices, colours, materials, equipment, specifications and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, the actual vehicle, materials and specifications may vary from this brochure. Some vehicles are shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, contact your INFINITI Centre.

INFINITI has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your local INFINITI Centre.

1 Available on select models. **2** This figure refers to the lowest official extra-urban fuel efficiency or lowest emissions figure. Actual mileage and emissions may vary with driving conditions and other factors. Use for comparison only. **3** Around View Monitor with Moving Object Detection (MOD) cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 8 km/h (5 mph). Always check surroundings and turn to look behind you before moving vehicle. **4** The parking sensor system is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **5** Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **6** The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. **7** Distance Control Assist helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. **8** FEB is not a replacement for responsible driving. May not provide braking or pedestrian detection in certain conditions. Limitations apply. See Owner's Manual for details. **9** PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **10** BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **11** The Blind Spot Warning/Blind Spot Intervention Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you.

For further details on all features, visit the INFINITI website or see Owner's Manual. GIVE PRIORITY TO SAFETY.

For UK: Fuel economy figures for the Q70 range: mpg (l/100km). Urban 17.9-49.6 (15.8-5.7), Extra Urban 35.8-67.3 (7.9-4.2), Combined 26.2-58.9 (10.8-4.8). CO₂ emissions 249-124 g/km.

Fuel economy figures are obtained from laboratory testing and are intended for comparisons between vehicles and may not reflect real driving results. Optional equipment, maintenance, driving behaviour, road and weather conditions may affect the official results.

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.

ACCESSORIES SHOWN 5-spoke 20" sport alloy wheel, roof box, loadcarrier.

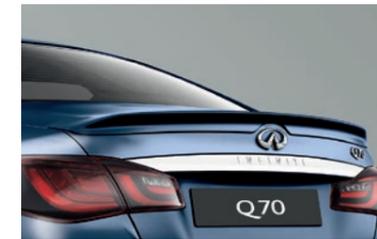

18 INCH SILVER ALLOY WHEELS
Wherever you go, there'll be no questions about your sense of style and love of sporty design. 245/50 R 18 alloy wheels.

ENTRY GUARDS
Set in a stainless steel panel, these soft "INFINITI" illuminated entry guards give the sill area a sporty and sophisticated look. The kit, supplied in pairs, lights up your entrance and protects the paintwork.

TRUNKBOX
Collapsible and constructed of a durable and flexible material, the trunkbox helps keep your belongings and other items from moving around while driving, protecting them and your boot from damage and reducing clutter.

REAR SPOILER*
Custom-designed for perfect fit and factory-matched colour, it enhances your vehicle's sporty, aerodynamic appearance.

TOW BAR
Tested to meet the highest demands of safety and functionality, the tow bar is integrated into the car's bodywork and can be removed easily when not needed.

MUDGUARDS
Make your car's paint mud and stone resistant with these body-coloured mudguards.

*Please check applicability with your local INFINITI Centre.

UNDENIABLE PRESENCE. UNFORGETTABLE EXPERIENCE

The INFINITI vehicle range defies convention and redefines the premium segment through empowering technologies and expressive design.

ESTABLISHED IN 1989, INFINITI has now grown to include saloons, coupés, convertibles, crossovers and SUVs in its line-up and spans 50 countries worldwide. INFINITI is unique and distinctive – not trying to be all things to all people, but everything to some people. At the heart of the INFINITI brand is a history of human attentiveness where the belief that the total ownership experience is much more important than just the car itself, coupled with a commitment to delivering a more empowering, more assured and more exhilarating driving and ownership experience.

INFINITI HAS COME to be recognised as a brand that delivers expressive and striking car design. A distinctive design crafted by human hand and delivered with a powerful and daring presence on the road. This, combined with an obsessive attention to detail and precision engineering, all contribute to the feeling that to drive an INFINITI is something special.

Estimated Fuel Consumption ¹			
Urban	17.9 mpg (15.8 l/100 km)	49.6 mpg (5.7 l/100 km) ⁷ / 47.9 mpg (5.9 l/100 km) ⁸	32.5 mpg (8.7 l/100 km)
Extra-urban	35.8 mpg (7.9 l/100 km)	67.3 mpg (4.2 l/100 km) ⁷ / 65.7 mpg (4.3 l/100 km) ⁸	53.3 mpg (5.3 l/100 km)
Combined	26.2 mpg (10.8 l/100 km)	58.9 mpg (4.8 l/100 km) ⁷ / 57.6 mpg (4.9 l/100 km) ⁸	45.6 mpg (6.2 l/100 km)
CO ₂ emissions ¹	249 g/km	124 g/km ⁷ / 128 g/km ⁸	145 g/km
HANDLING			
Steering			
Type	Vehicle-speed-sensitive variable-assist power rack and pinion	Vehicle-speed-sensitive variable-assist power rack and pinion	Vehicle-speed-sensitive variable-assist power rack and pinion
Type	Hydraulic power steering	Hybrid electric power steering	Hybrid electric power steering
Turning diameter	11.4 m	11.4 m	11.4 m
Suspension			
Front	Independent, double wishbone with coil springs over Double-Piston Shock absorbers (DPS), stabiliser bar	Independent, double wishbone with coil springs over Dual Flow Path (DFP) shock absorbers, stabiliser bar	Independent, double wishbone with coil springs over Double-Piston Shock absorbers (DPS), stabiliser bar
Rear	Independent, multi-link suspension, Double-Piston Shock absorbers (DPS), stabiliser bar	Independent, multi-link suspension with Dual Flow Path (DFP) shock absorbers, stabiliser bar	Independent, multi-link suspension, Double-Piston Shock absorbers (DPS), stabiliser bar
Brakes			
Front/Rear	355 mm front / 350 mm rear ventilated discs with aluminium opposed front callipers (4-piston front, 2-piston rear)	320 mm front / 308 mm rear ventilated discs ^{3,4} 355 mm front / 350 mm rear ventilated discs with aluminium opposed front callipers (4-piston front, 2-piston rear) ^{5,6}	320 mm front / 308 mm rear ventilated discs
Wheels and Tyres	20 x 9.0-inch alloy wheels with 245/40R20 W-rated tyres (front and rear)	18 x 8.0-inch alloy wheels with 245/50R18 W-rated tyres (front and rear) ^{3,4} ; 20 x 9.0-inch alloy wheels with 245/40R20 W-rated tyres (front and rear) ^{5,6}	18 x 8.0-inch alloy wheels with 245/50R18 W-rated tyres (front and rear)
CAPACITIES AND WEIGHTS			
Kerb weight ²	1,826 kg	1,906 kg ³ / 1,930 kg ⁴ / 1,918 kg ⁵ / 1,941 kg ⁶	1,895 kg ³ / 1,920 kg ⁴
Gross Vehicle Weight (GVW)	2,310 kg	2,375 kg ^{3,4} / 2,405 kg ^{5,6}	2,400 kg
Max trailer weight unbraked/braked	750 kg / 1,500 kg	750 kg / 1,500 kg	750 kg / 1,500 kg
Luggage volume	500 litres	450 litres	350 litres
Fuel capacity	80 litres	74 litres	70 litres
EXTERIOR			
Coefficient of drag	0.28	0.27 ^{3,4} / 0.28 ^{5,6}	0.26

¹ May not represent real-life driving results (which vary depending on driving behaviour, conditions, optional equipment and other factors).

² Figures quoted according to Directive 92/21/EC, version 95/48/EC (kerb weight with 90% fuel tank filling, 68 kg for the driver and 7 kg for luggage) for standard-specification vehicles. Optional equipment and accessories may increase this figure.

³ Q70 Premium ⁴ Q70 Premium Tech ⁵ Q70 Sport ⁶ Q70 Sport Tech

⁷ With 18" 10 spoke alloy wheels

⁸ With 20" 5 double-spoke alloy wheels Sport design
